

ORDER FORM

Ordering prints from us is quite simple:

1. Write the number accompanying the image from the website under "Image #" (IE: BF-816).
2. Write a brief 2-5 word description of the image to confirm the image number (IE: Buffalo under cloudy sky).
3. Indicate your desired size and quantity under "Quantity/Size" (IE: One 20x30).
4. Indicate the paper style under "Paper Type."
5. Write the corresponding price in the "Price" column.
6. Total your print prices and add together for a subtotal. Add 6% sales tax to this total if you live in South Dakota, then write the corresponding shipping cost under "Shipping." NOTE: Only one shipping cost is required for all prints (see details below, at right).

Then enclose a check or money order for the grand total and we'll turn your prints around within 10 days of receiving your order.

If you are placing a large order (several prints 20x30 or larger) please email me to ask about a quantity discount.

All prints are individually printed, inspected and signed by Greg Latza.

Printer: Epson 9600 Photo Printer (up to 44" paper), ultrachrome 7-ink system rated at 100+ year longevity.
